

## Institute History

The Institute was jointly established in 1963 as Malaviya Regional Engineering College Jaipur by the Government of India and the Government of Rajasthan. Subsequently, on 26 June, 2002, the college was given the status of National Institute of Technology. On 15 August 2007, it was recognized as the Institute of National Importance through an Act of Parliament. The Institute is fully funded by the Ministry of Education (Shiksha Mantralaya), Government of India.

## Campus Introduction

The Institute lies in the heart of the pink city, imaginatively laid out with a picturesque landscape of 317 acres. It presents a spectacle of harmony in modern architecture and natural beauty. The campus is located in close proximity of Jaipur airport, railway station, major hospitals, and shopping malls. It consists of academic and administrative buildings, hostels, and on-campus accommodation for faculty and staff. The campus provides all essential amenities for community living like staff club, primary health center (dispensary), bank, post office, shopping complex, gymnasium, playing fields, guest houses, and canteen.

## About Jaipur

Jaipur, the capital of Rajasthan, is a beautiful and historical city that attracts tourists worldwide. It is popularly known as the Pink City because of the exclusive pink stones used for building the monuments. Jaipur's bazaars are famous for their embroidered leather shoes, blue pottery, jewellery, clothes, and exotic wares. Western Rajasthan forms a convenient circuit in the heart of the Thar desert, which has shaped its history, lifestyle, and architecture. The city's major tourist attractions include Jantar Mantar, Amber Fort, Moti Doongari and Lakshmi Narayan Temple, City Palace, Albert Hall (Museum), Hawa Mahal, Jaigarh Fort, Sisodia Rani Garden.

## Vision Statement

To create a centre for imparting technical education of international standards and conduct research at the cutting edge of technology to meet the current and future challenges of technological development.

## Mission Statement

To create technical manpower for meeting the current and future demands of industry: To recognize education and research in close interaction with industry with emphasis on the development of leadership qualities in the young men and women entering the portals of the Institute with sensitivity to social development and eye for opportunities for growth in the international perspective.

## Key Objective

MNIT shall strive to impart knowledge in such a manner as to achieve total satisfaction of students, parents, employers, and the society.

The instructional buildings include departments, Central Library and administrative block and are at a walking distance from the students hostels and staff colony. The instructional buildings have been so located that these are fairly near to both the hostels and the staff quarters and are at a walking

distance from both. There is a branch of ICICI Bank Ltd., SBI Bank and Post-Office in the campus. A full-fledged dispensary is supervised by a team of Medical Officers and two Compounders. The Institute has also been extending facility of a Part-time Homeopathic doctor and Ayurvedic doctor in the campus. Adequately equipped Canteen buildings, one near the instructional zone and another near the hostels provide facilities to the students and the staff during and beyond the working hours of the Institute.

#### Library

The Institute has a spacious and well equipped library which is being run according to an open access system. It has rich collection of about 1,33,600 volumes of books, periodicals, reports and reference material. In addition to the books from main library, some more books are issued to students from book bank also. There is a video viewing facility. Large number of books, periodicals, video cassettes and CD-ROMs are available. The library is being fully computerized.

For more details [Click here.](#)

#### Canteen

One canteen near the instructional zone, another near the hostels and one Nescafe coffee shop provides refreshments to the students and the staff during and beyond the working hours.

For more details [Click here.](#)

#### Guest Houses

There are two guest houses in the campus to cater the needs of guests and students.

For more details [Click here.](#)

#### Sports

Adequate facilities are available for sports and games and for co- curricular activities. The campus is well laid out with roads, electrical installations, water supply and underground drainage system etc.

For more details [Click here.](#)

#### Banks

There is a branch of the ICICI Bank Ltd. and SBI Bank in the campus. Other reputed banks such as SBI, OBC, and PNB etc. are within walking distance from the institute campus.

For more details [Click here.](#)

#### Post-Office

There is a Post Office in the campus of MNIT.

For more details [Click here.](#)

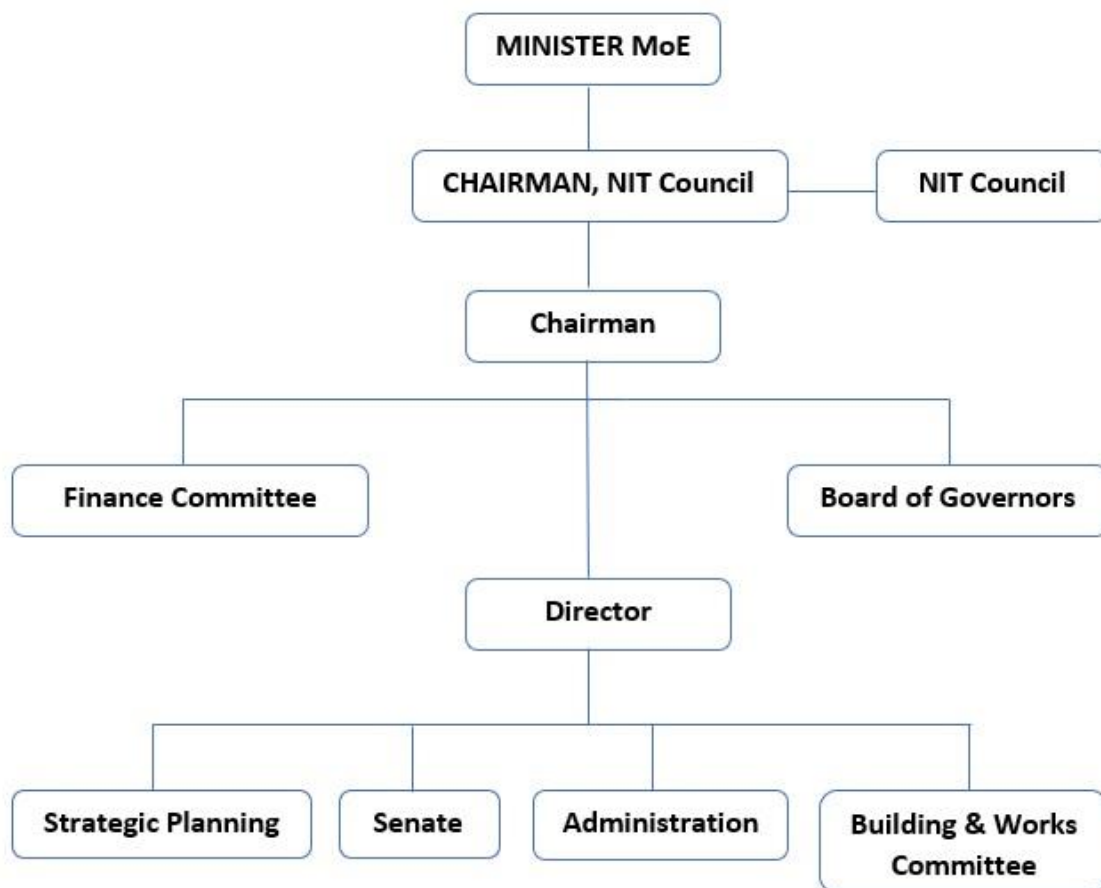

#### Medical Facilities

A full-fledged Dispensary is available in the campus. It is supervised by a residential Medical Officer. The services of a part-time Homeopathy Doctor and a Lady Doctor are also available to students and to the family members of the staff.
