**About the Department**

Department of Metallurgical and Materials Engineering is one of the oldest department established in 1965. The department offers B.Tech, M.Tech and Ph.D programmes in all frontiers areas globally. The basic motto of department is to provide quality education through its highly qualified and experienced faculty members. The faculty is continuously motivated to keep abreast with state-of-the-art technology.

Alumni of this department hold important position in academia, R&D organizations and industries in India as well as international level. Students of this department are certain to have bright career prospects in India as well as globally due to recent ambitious growth plans of ferrous and non-ferrous sectors, and great quest for high-tech materials worldwide.

A combination designed to provide a foundation for a lifetime of professional and personal development. With these objectives in mind the department has also formed the Metallurgical and Materials Engineering Students Society known as METMES. Our students also show their talent in co-curricular and extra-curricular activities.

**Vision**

To establish a centre for imparting Metallurgical and Materials Engineering education of international standards and conducting progressive and innovative research to meet the current and future challenges of technological development.

**Mission**

To provide Metallurgical and Materials Engineering manpower for meeting the current and future demands of the Metallurgical and Materials Engineering industry, research organization and academic institutions by imparting quality educations.
