About the Department

The Department of Artificial Intelligence and Data Engineering (AIDE) at Malaviya National Institute of Technology (MNIT) was established recently in the year 2023. The department, with the Joint faculty of different disciplines, promotes academic and research in AI, Data engineering and related technology to equip students with the knowledge and skills to thrive in this rapidly evolving landscape. The Department presently offers an academic program at the Undergraduate level - B.Tech. in AIDE with an intake of forty students. The department will soon offer Postgraduate, Doctoral, and other cutting-edge programs that combine AI principles with data engineering practices, preparing graduates to address real- world challenges.

Vision

To create a center of international standards for imparting high quality education and conduct research in Artificial Intelligence, Data Engineering, and other related fields to meet the current and future challenges of technological development.

Mission

To create enabling environment for excellent teaching, learning and research in order to produce leading entrepreneurs and innovators in the field for sustainable development and the betterment of the nation.
