COMPUTER SCIENCE & ENGINEERING

Home (./) - COMPUTER SCIENCE & ENGINEERING

Overview	Staff	Students

‣ Department of Computer Science & Engineering was established in 2007 with an intake of 60 (C.S.E) students.

‣ The Department has developed State-of-the-art laboratories in the various fields of Computer Engineering.

‣ The Department of Computer Science & Engineering has well-equipped laboratories in various areas under as:

1. Database Management System LAB
2. Linux Shell Programming Lab
3. Network Programming Lab
4. Java LAB
5. Digital Image Processing Lab
6. Object Oriented Programming Lab
7. Linux and Shell Programming Lab
8. Machine Learning Lab
9. Python Lab
10. Mobile Application Development Lab
11. Software Testing and Validation La

VISION:

- To develop innovative leaders in Computer Science through technical knowledge, ready for societal and industry challenges.

MISSION:

- M-1. To provide a conducive learning environment to develop technical and professional skills.
- M-2. To transform students as competent and quality engineers.
- M-3. To inculcate ethical values and societal concerns.
- M-4. To enhance industry student interaction to imbibe corporate culture.

PROGRAM EDUCATIONAL OBJECTIVE (PEOs):

- PEO-1. Graduates to be capable to analyze, formulate and tackle Computer Science & Engineering challenges faced by the country and society.
- PEO-2. Graduates to be able to work in a team as an active member in the industry utilizing the necessary professional skill.
- PEO-3. Graduates to be capable of pursuing research to develop new ideas and products to serve the country and society.
- PEO-4. Graduates to be ethical and responding global citizens working for the development of society with a conscience.

PROGRAM SPECIFIC OUTCOMES (PSOs):

- PSO-1. To gain and impart computer engineering knowledge.
- PSO-2. To understand problem analysis and design/development of solutions.
- PSO-3. To conduct investigations of complex problems with modern tool usage.
- PSO-4. To impart technical skills to the students to become future technocrats and entrepreneurs.

Information

GEC Bharatpur was established in the year 2007 with a vision "To make students technologically superior and ethically strong and build them as professionals who will become the trendsetters in the industry".
