Department of Management Studies

1. 🏠

Facilities

DMS has well-equipped lecture and seminar halls with state-of-the-art facilities, creating a fine ambience where students hone their business acumen through presentations and seminars.
DMS has the privilege of having two mini-auditoriums to conduct lectures, seminars, and paper presentations. The Computer Centre helps DMS harness the role of technology as a critical enabler in all its operations. The department has a rich pool of faculty with years of interdisciplinary research, teaching, and administrative experience. The faculty members at the DMS are equally competent in delivering quality training and learning experience. The faculty members are continuously involved in research and consultancy assignments, and further learning in their areas of expertise to keep them abreast of the latest development in their respective areas and transfer it to the budding managers enrolled in various programs at the DMS. Situated at the heart of the beautiful city of Jaipur, the institute offers abundant opportunities for connectivity. However, most facilities are available on the campus, including banks, a library, a computer centre, a well-equipped dispensary, etc. All students and faculty live on campus, in student hostels and NIT staff quarters. The peaceful atmosphere of the campus belies the wide range of activities that complement academic life. Students at DMS can access the following amenities-

Library

The institute has a spacious and well-equipped library run according to an open access system. It has a rich collection of about 1,33,600 volumes of books, periodicals, reports, and reference material. In addition to the books from the main library, books are also issued to students from the book bank. There is a video viewing facility. Many books, periodicals, video cassettes, and CD-ROMs are available. The library is being fully computerized.

Computer Centre

A centralized computing facility of the institute since 1989, the Centre caters to the need of different academic departments and various sections of the institute by managing and providing extensive computing and networking facilities to the institute and facilitating the use of the latest information technology in the institute's teaching, learning, research, and administration.

Sports

Adequate facilities are available for sports and games, and co-curricular activities. The campus is well laid out with roads, electrical installations, water supply, underground drainage system, etc.

Medical Facilities

A full-fledged medical dispensary is available on campus. A Resident Medical Officer supervises it. The dispensary also has a panel of specialists, including an Ayurvedic Doctor, a Homeopathy Doctor, an Orthopedic Doctor, a Cardiologist, a Gynecologist, and a Paediatrician available to students and the family members of the staff as per a notified schedule.

Vivekananda Lecture Theatre Complex(VLTC)

40+ Rooms of capacity 120 and 6 Rooms of capacity 240 @VLTC are constructed in the VLTC with state of the art facilities for offline and online teaching.

MNIT Innovation and Incubation Center (MIIC)

MIIC is a Technology Business Incubator (TBI) sponsored by DST-GOI, New Delhi. Its primary objective is to provide a platform for Conceiving, Realizing, Promoting & Nurturing knowledge-based Innovation and Entrepreneurship amongst all aspiring entrepreneurs. MIIC extends incubation support to startups primarily but not limited to the areas of Product or Process design/Re-design, Material or Process innovation, Information & Communications Technology.

Other Facilities

The institute has multiple cafeterias at various locations within the campus. There are two branches of banks, one each of ICICI Bank Ltd. and SBI, in the campus where students can avail themselves of all banking-related services. There is a Post Office on the campus of MNIT.
